

Merry Christmas and a Happy New Year

THE HALIBURTON COUNTY ECHO AND MINDEN RECORDER

Vol. 1 No. 17

Wednesday, December 22, 1982

"Voice of the Highlands"

14 pages 35 cents

Province passes Haliburton Act

by MARTIN BIEFER
Echo Editor

Haliburton county's "provisional days" are numbered.

The second reading of Bill 191, "an act to provide for the continuation of the Provisional County of Haliburton as the County of Haliburton" passed second reading December 16 (last Thursday).

After the bill was debated December 16 it was tabled Tuesday for third reading at Queen's Park. The bill passed third reading at about 4:00 pm Tuesday.

If all goes according to plan, said Eakins, Haliburton will be a full-fledged county effective January 1.

Lots of history

The bill's second reading was moved by David Rotenberg, PC member for Wilton Heights on behalf of municipal affairs and housing minister Claude Bennett.

Rotenberg said that the new act will eliminate the "provisional" status of Haliburton, and added that this county is the last in Ontario to be qualified with that status.

"Since the administration of justice is now a provincial responsibility (Haliburton's provisional status was partly due to the fact that its legal administration was handled by Victoria county) and since Haliburton now has the same municipal responsibilities as any other county, it seems appropriate and desirable to give it full county status," said Rotenberg.

ing "officials representing the great county of Haliburton" were in attendance at Queen's Park. Eakins introduced Ron Gambell, past warden and reeve of Lutterworth, R Jane Franklin, deputy reeve of Glamorgan township, Win Lahay, county clerk-treasurer, and county engineer Bill Obee.

Eakins pointed out that the first Haliburton Act was moved by Oliver Mowat, later knighted, who was in 1874 the Liberal premier of Ontario and the attorney-general.

Mowat later attended the official sod-turning for the construction of the Lindsay to Haliburton county railway.

Eakins also noted that a vote was taken in 1874, asking the people of what became the provisional county whether they favored establishing such a municipal system, and whether they wished to be joined to Victoria county for administrative purposes.

The vote for becoming "provisional" was 396 - 4; while the ballot on joining Victoria county for judicial administration was unanimous.

Eakins said the wheels for abolishing the "provisional" status of Haliburton were set in motion by Reeve Murray Fearrey of Dysart et al. during his 1981 term as warden.

The work was carried on by this year's county council under then-warden Ron Gambell. Ted Foster of the Ministry of Municipal Affairs

Royal assent was expected late Tuesday night

He also noted that a new municipality (Sherborne et al. composed of Sherborne, McClintock, Livingstone, Lawrence and Nightengale townships) will be formed by the implementation of the bill.

Next to speak was Eakins, who began by paying tribute "to the people of Haliburton county and in particular to the wardens, past and present, the elected Reeves and deputy Reeves, the municipal councillors, the county clerk, the county engineer and other staff for their many months of work" preparing for the bill.

The present Haliburton Act was enacted in 1874. At that time, he noted, "enthusiastic residents of the area wanted to have the railway extended into Haliburton, to open up the country. There was no authority to float a debenture unless under county status."

"There was insufficient population to meet the usual criteria. As a result, the Haliburton Act was passed, whereby the provisional county of Haliburton Act was passed, whereby the provisional county of Haliburton was established and affiliated with Victoria county for judicial purposes," continued Eakins.

He called the upcoming enactment of the Bill 191 "an important day in the history of Haliburton county."

During Thursday's second read-

ing and Housing was also instrumental in the project's success, said Eakins.

He thanked, individually, all the members of county council in 1981 and 1982, as well as newly-elected council and Warden Bill Howe.

Several firsts

Bill Howe, the reeve of Bicroft township and the county warden, has been honored in a unique way. He is, at once, the last warden of the provisional county of Haliburton, the first warden of the new county, and the first reeve of Bicroft township -- as well as being its last chairman.

"I'm extremely proud...it's a great thing, and I'm extremely honored," said Howe Monday. He said that although the changes brought about by dropping the "provisional" status of Haliburton will not be great, a certain amount of "stigma" will be removed.

"It's only right that Haliburton (should be a full-fledged county), and it should have happened quite a while ago," said Howe.

"We live in the best part of the country, as far as I'm concerned," added the warden.

The change in Bicroft's status occurred December 1. The first elections ever in the former improvement district took place November 8. Howe said Bicroft council are contemplating having a celebration to mark the occasion next year, and said the county may do the same thing to mark January 1.

These two youngsters were among the many who took time out to visit Santa Claus last Saturday at the Haliburton (Branch 129) Legion. Santa gave out puzzles and games to the little ones, and the women of the

Ladies' Auxiliary handed out candies. Cartoons were also shown. For more pictures, see page three. (Photo by Terry Joyce)

County should improve air access: Stouffer

Elgin Stouffer feels the county should look into the possibility of improving the Stanhope airport -- which, with appropriate expansion, could become a tourist gateway to the highlands.

The deputy-reeve of Stanhope township aired his views at last Wednesday's meeting of the Haliburton county council, held in Minden.

Stouffer said that recent conversation with Ministry of Transportation and Communications (MTC) officials had revealed that provincial money might be available for the

project. The MTC would pay 80 per cent of costs, he said.

"We (the county) are spending \$2.5 million on road access, yet nothing on air access," he pointed out. Better air facilities "would do much to promote the county," he said.

Ten to twelve passenger planes

While Stanhope can accommodate smaller aircraft it needs to be able to handle larger planes -- those seating ten or twelve people, said the deputy-reeve.

Since planes of that size cost "about \$100 an hour to rent, the numbers become viable once you

have ten or twelve people," the deputy-reeve pointed out.

For those who want to enjoy the Highlands, yet don't want to battle traffic as they leave the city, flights into the area from Toronto would be a good alternative.

As well, the more well-heeled tourists who already have their own aircraft would be able to journey here -- thereby bringing in more tourist dollars.

Stouffer pointed out that a recent survey pointed to the areas of Haliburton village and Dorset as being those with the highest rate of development. The airport in Stan-

hope is half way between those two areas...and Stouffer said that MTC officials had agreed it (Stanhope) would be the logical place for an expanded airfield.

"Stanhope is a licensed airport," he said. More than \$200,000 has already been invested in it, he said.

The Stanhope deputy-reeve has been a prime mover in tourism promotion here. Among other successes he has launched a radio weather report for the county, aired on metropolitan stations, and in recent weeks instituted a "coming events" service, also for broadcast purposes.

CFMX-FM radio station is back on the air once again

There's some good news for classical music fans this week -- Cobourg's CFMX-FM radio station is back on the air.

When the station lost its licence to broadcast on the basis of a CRTC (Canadian Radio Television and Telecommunications Commission) decision, the "Friends of CFMX-FM" organized. Petitions were circulated throughout the station's broadcast area, including here in Haliburton County, and were forwarded to CRTC headquarters in Hull, Quebec.

The many months of persistence paid off Saturday night, when the station went back on the air.

Leopoldina Dobrzensky, the liaison officer of the Haliburton county chapter of the "Friends of CFMX-FM" said the lobby group is now calling on the same people whose signatures voted the station back on to the air to continue their support -- by joining the "Friends."

CFMX-FM is the only all-classical music station that can be heard in the county, she pointed out.

The station can be heard at 103.1 on your FM dial.

To help the station, the "Friends" are selling memberships. It costs \$5 for a single

person to join, \$10 for a couple, and \$25 for a family. Money will be used to increase the station's record library, which must be expanded to 5,000 records. It now has about 3,000 titles, explained Dobrzensky.

Money will also be used to help offset equipment costs, she said. The licence was renewed for three years by the CRTC on three conditions:

- that the owner of the station become its active manager
- that the technical requirements (records and electronic equipment) be met
- and that the "Friends" con-

tinue to act in an advisory capacity.

Elgin Stouffer of Stanhope is the chairman of the county "Friends." Bruce Henry and Dobrzensky are the other members of the executive.

Dobrzensky stressed that the station also must find more advertisers.

A quarterly newsletter, listing all the station's programs, can be purchased for \$6 a year, she added.

So far more than 30 people have expressed interest in the group, she noted.

New committee members selected by county council

The new committees of Haliburton County council have been appointed -- and there was, surprisingly, no comment made by the new council as the steering committee read out the names.

Dysart reeve Murray Fearrey, chairman of the steering committee, announced the names at the regular meeting of county council last Wednesday in Minden.

"It's difficult to judge the desires, strengths and weaknesses of councillors," explained Fearrey. For that reason all positions will be reviewed at the end of next year. Fearrey pointed to the unprecedented high turnover at county council this term as a reason for the review.

"We've tried to get the best people in the best spot...it's a difficult job," he said. Fearrey added that the steering committee had also tried hard to have adequate committee representation for each of the county's ten municipalities.

office, or for terms otherwise indicated.

Management committee: Murray Fearrey (Dysart et al), Lyle McKnight (Anson, Hindon and Minden), and Keith Tallman (Monmouth).

Good representation from municipalities

With just a few exceptions "each (municipal) council has representation on three or four committees," he said.

As mentioned, all members of committees or boards are to be appointed for the 1982-83 term of

Finance committee: Ross Duncan (Cardiff), R Jane Franklin (Glamorgan), and Glynne Lewis (Lutterworth).

Correspondence committee: Harry Clark (Monmouth), Harry Davis (Stanhope), and Robert McCausland (Glamorgan).

Roads committee: Keith Tallman (Monmouth) five years, N R Gambell (Lutterworth) four years, Dalton MacDonald (Sherborne, McClintock and Livingstone) three years, Gary McKnight, replacing Murray Fearrey (both of Dysart et al) for one year, and Ed Pergolas (Anson, Hindon and Minden) one year.

Hyland Crest Committee of Management: Harry Davis (Stanhope), Murray Fearrey (Dysart et al), Robert McCausland (Glamorgan), Lyle McKnight (Anson, Hindon and Minden) and Mack Peters (Cardiff).

Haliburton County Public Library Board: Ross Duncan (Cardiff), Don

No Echo on December 29

In order that our staff members can enjoy the Christmas holidays, the Haliburton County Echo will not be published next week [December 29].

Our office will be closed over the Christmas holidays. The editor will be back to work on Thursday, December 30, and the advertising department will also re-open at that time.

We wish all our readers a Merry Christmas and a Happy New Year.

OPP report

Personnel at Minden detachment of the OPP investigated the following occurrences during the period December 13-19.

Twenty motor vehicle accidents were reported -- 15 of which were single car accidents. There were seven people injured. As well there were 36 general occurrences (four thefts, three break and enters).

Gooderham Charges

On Saturday, December 18 at 9:50 am, a '72 Plymouth was reported stolen sometime overnight from Gooderham. It was discovered a short time later damaged and rolled over a short distance away on the Buckhorn Road. After an investigation, the owner, Tyrone Dewey, 32, of Gooderham, was charged with failing to report an accident, with public mischief and with driving under suspension. Investigated by PC Mike Legge.

Injury Accident

On Friday, December 17 at 1:35 pm, Else Marie Hornby, 65, slid on an ice patch on highway 35 near Buttermilk Falls in her 1977 Ford. The car received \$8,000 damage when it entered the ditch and rolled over. Hornby, of Hall's Lake was taken by ambulance to Minden Hospital where she was treated for her injuries. Investigated by PC Paul Shaughnessy.

Head-on accident

On December 18 at 6:15 pm, two cars met head-on at the crest of a hill on Soyers Lake Road in Minden township. A 1969 Chrysler driven by Royce Cowen, 46, of Minden Township sustained \$1,000 damage. The other car, a 1979 Honda, received \$2,000 damage and all three of the occupants, driver Ian Minto, 35, and two family members received minor injuries.

There were six occupants in the other vehicle but none were injured. Investigated by PC Weldon Popp.

Obscene Telephone Calls

An outbreak of obscene telephone calls has been reported in the Minden - Haliburton area during the past week. Although only two were reported to police several others have come to light upon canvassing area establishments.

Persons who receive these type of calls are urged to report them to the police in order that we may be able to properly assess the magnitude of the problem and to assist us in identifying the obscene caller.

Winter Parking

Vehicles parked on roadways throughout the county always pose a problem, but never is this problem more acute than in the two weeks surrounding Christmas and New Years.

It is unfortunate that, each year, police are required to tow vehicles from the cottage roadways, because they pose a hazard to other vehicles, or because they hinder the removal of snow.

Haliburton is a beautiful place to spend the holidays and with a little advance planning and consideration can be a time of rest and relaxation without trouble nor hardship for anyone.

To all visitors and seasonal residents -- please, park your vehicles off the roadways. Either clear the snow from your usual summer parking spot or share with your neighbours the cost of having a community area cleared of snow for parking of all your vehicles.

Training centre meeting

Meetings were held last week involving operators of both the resorts and restaurants to get their thoughts and views on the structure of the proposed new hospitality training centre in the county. It was generally felt by the members of the industry that a program that involved some training for themselves or their supervisors would greatly assist them in dealing with the "on the job experience" part of the program.

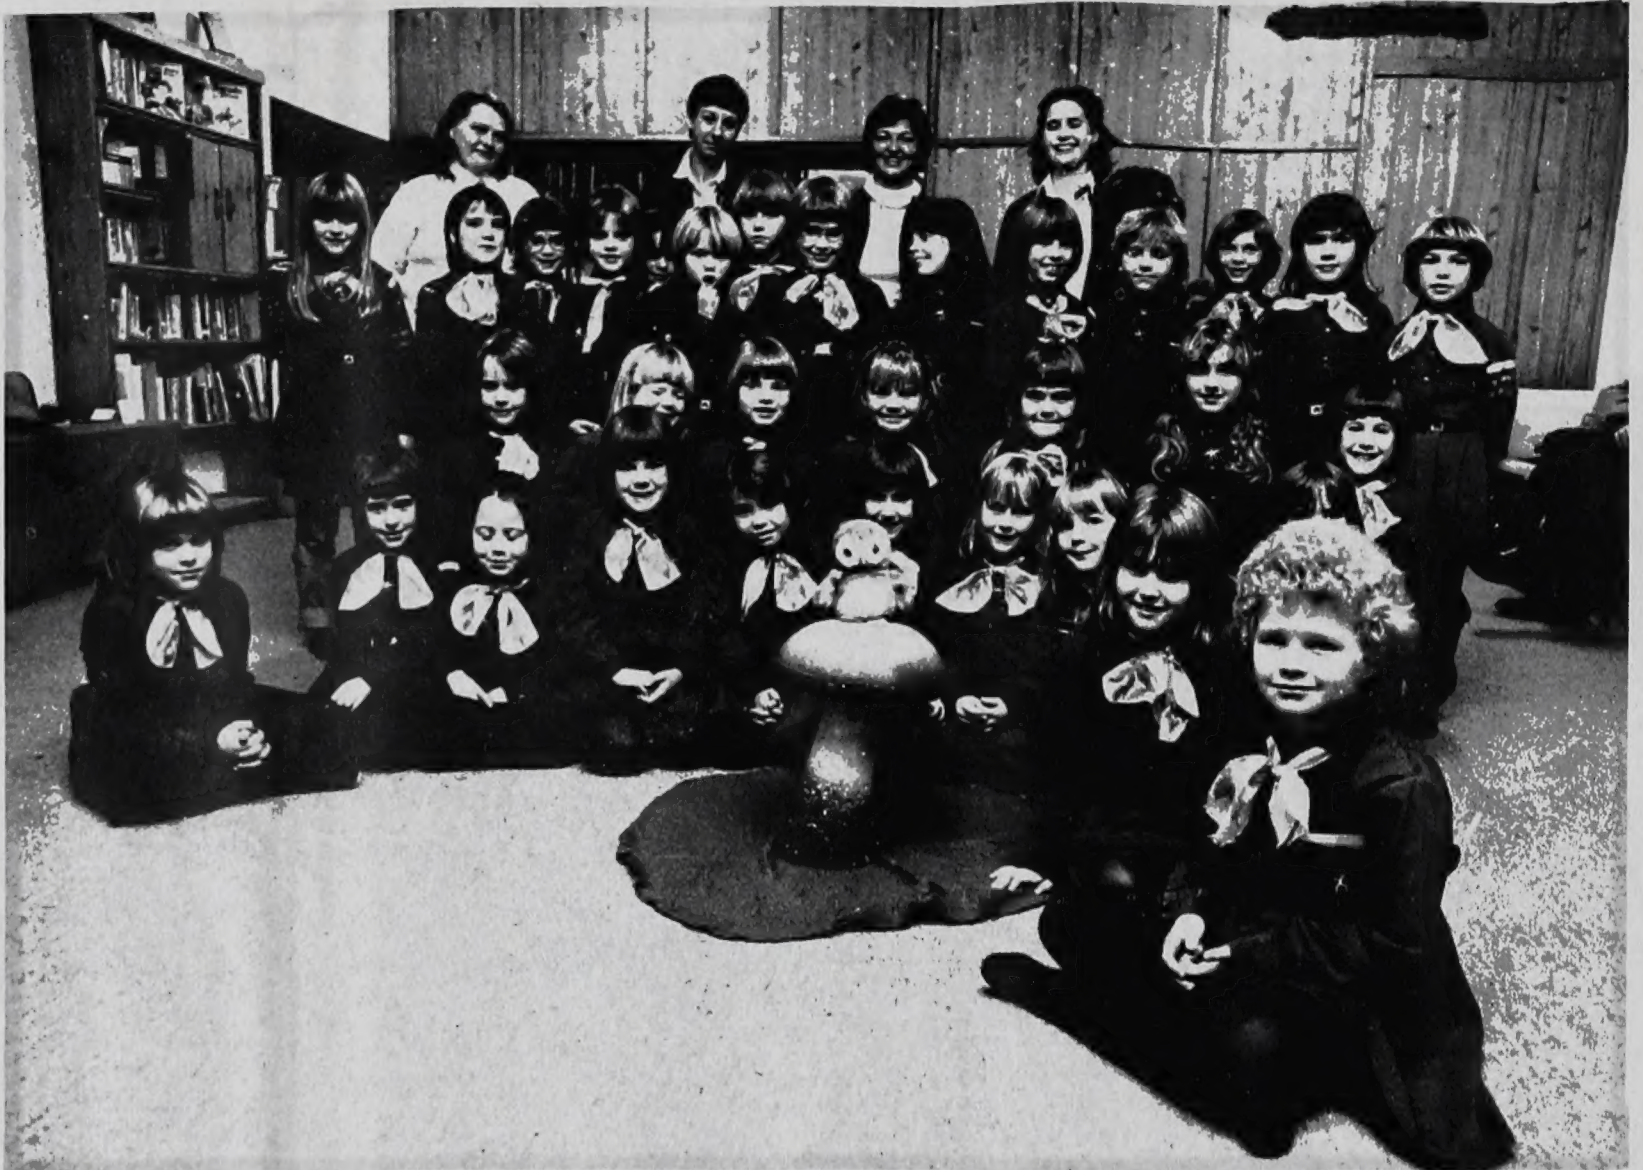

Susan Horne, who is working on the design of the curriculum for the project, was extremely pleased with the positive manner in which the operators were addressing the program and said that this was imperative the success of the project.

The goals of the training program were defined at the meetings as "a well trained workforce that is proud to offer quality hospitality service to visitors and guests to the Haliburton Highlands, and a recognition by all in the industry that each person plays a significant role (from waitress to manager) in attracting customers, serving them, satisfying them, and getting their return business."

Those in attendance acknowledged the need for training which addresses both technical skills (how to set a table, how to pour wine) and social skills (the ability to get along with others and to be a confident ambassador for the industry). There was also agreement that persons taking the training program should become well-versed in the industry as a whole; it is expected that trainees will have a better understanding of the jobs of others and how they are interrelated.

Further discussions are planned for early January to outline in detail the training design and curriculum.

Those present at the meetings were PineStone Inn, Chateau Woodland, Birch Point Lodge, Dixie Lee Chicken, Fireside Restaurant, Halimar Resort, Wagon Wheel Motel, Kosy Corner, Lakeview Motel, Wigamog Inn and Willow Beach cottages.

Here are the members of the Haliburton Brownies. In the front row from left to right are: Tanya Talbot, Amy Postlethwaite, Kelly Morrison, Shannon Stinson, Tammy Barjarow, Sarah Bonfield, Cheryl Smith, Stephanie Bain, Andrea Barry, and Amy Vaughan. In the second row, from left to right are: Toby Rowden, Katherine Mark, Dawn Hubert, Sarah James, Amanda Vincent, Sajo

Longworth, and Beth Bonfield. In the third, from left to right are: Kelly Heyes, Crystal Lynn Perrin, Jennifer Smith, Theresa Madill, Tania Rowden, Michelle Simms, Katharine Woods, Joanne Smith, Michelle Douglas, Angie Scott, Laura Chumbley, Jennifer Medley, Tanya Easton, Tricia Bain. In the back row, from left to right are: Nancy Watson, Cindy Rowden, Linda Easton, and Linda Beachli.

S, M, and L welcomes new councillors into the fold

The Inaugural meeting of the council of the United Townships of Sherborne, McClintock and Livingstone was held December 7 in the Dorset fire hall training room.

Present were reeve Dalton MacDonald (acclaimed), deputy-reeve Donald Shortreed, and newly elected councillors Joyce McKey, Marilyn Jarvis and Edward Vallance.

Employees present included clerk-treasurer Diane J. Griffin, and by-law enforcement officer/chief building official, Arthur Haynes. Ratepayer Victor Fumandiz, a ratepayer was also present.

At this point each member of Council in the presence of the clerk took his/her declaration of office and oath of allegiance. Each member then had an opportunity to express their feelings as to the upcoming three year term.

A general update and discussion transpired in respect to restricted area zoning by-law 839, the current status of same as to OMB hearing date; KBL Bridge Association; Road Allowance Closure policy of the municipality, Committee of Adjustment possibly being established, along with various other subjects of longstanding.

from page 1

The regular meeting of the council of the United Townships of Sherborne, McClintock and Livingstone was held November 15 in the Dorset Fire Hall training room.

Members present included Reeve Fred Baum, deputy-reeve Dalton MacDonald and councillors Joyce McKey and Olga Cunningham. Councillor Fran Gower was absent.

Employees present included clerk-treasurer Diane J. Griffin, road superintendent

Delbert Page, and building inspector/by-law enforcement officer Arthur Haynes. Marilyn Jarvis and Ed Vallance were guests.

Resolutions

• Moved by Joyce McKey, seconded by Olga Cunningham that final requisition to

Haliburton in the amount of \$15,884.40 due on November 30, 1982 be paid. Carried unanimously.

• Moved by Dalton MacDonald, seconded by Olga Cunningham that road voucher number 10 in the amount of \$11,331.50 be approved for payment. Carried unanimously.

Committees set at county council meet

Shortreed (Sherborne, McClintock and Livingstone), Robert Vick (Snowdon), and non-council members M Stouffer (to 1983), S McGee (to 1984) and Roy Brohm (to 1985).

Property committee: Ed Pergolas (Anson, Hindon and Minden), Don Shortreed (Sherborne, McClintock and Livingstone), and Dwain Wruth (Snowdon).

Chamber of Commerce: Elgin

Stouffer (Stanhope).

Children's Aid Society: R Jane Franklin (Glamorgan).

Children's Services: Glynne Lewis (Lutterworth).

Health Unit: Keith Tallman (Monmouth).

Planning committee: Reeves McKnight, Peters, Fearrey, McCausland, Gambell, Tallman, MacDonald and Vick -- and Warden Bill Howe.

Personnel committee: Murray

Fearrey (Dysart et al), N R Gambell (Lutterworth) and Keith Tallman (Monmouth).

Forest Management committee: Mack Peters (Cardiff), Elgin Stouffer (Stanhope) and Robert Vick (Snowdon).

The personnel committee, said Fearrey, is new this year, and will provide the county with a specific committee to deal with staff relations.

This toddler seems just a might confused about the goings-on at the Legion. Children of all ages enjoyed a visit with Santa, who gave out games and puzzles. The Branch 129 Ladies' Auxiliary provided candies,

and all enjoyed cartoons. It was a great way to start the countdown to Christmas day.

Santa Claus visits the Legion hall

Young and old people alike enjoyed Santa's visit to the Royal Canadian Legion (Branch 129) in Haliburton last week.

It was one of Santa's last stops before Christmas eve.

Terry Joyce of the Echo was on hand to

take a few pictures of old Saint Nick.

Young Amy Wood, perhaps a bit frightened by the noise and activity, had to be convinced Christmas was a joyous time. The young lady eventually enjoyed

Branch 129's Christmas party Saturday, along with Santa's visit, cartoons, games and candy.

Michelle Simms was wide-eyed as she waited for a turn to visit Santa. There was a large turnout

Saturday afternoon at Haliburton's Branch 129 as Santa came to town.

"Have you been a good girl," asks Santa. "Of course," replies this young lady. What child would admit to anything else as Christmas approaches.

We've got more Christmas pictures in our Christmas Greeting Supplement.

One of the joys of Christmas every year is getting the family together. Here this proud father carries his

young son into Branch 129 to visit Santa Claus. There was candy, cartoons and games for the young set.

Editorials

A wish

Nine-year-old Tina Prime of Haliburton has cystic fibrosis. She has a wish for Christmas that speaks for itself.

"I have a disease and I wish I could get rid of it so that it wouldn't eat up my day with treatments."

"They are sick. They take 20 sick minutes. First I get buffer and a couple other gems and put it in a container. Then you take a green mask (something like an oxygen mask). Then you take a machine that looks like a dummy from Mars and there is a green hose that attaches (I call it the nose of my monster).

"I attach it to the middle of my mask, turn it on, and it goes 'vroom vroom vroom.'" Then I go to the basement and lie on the cushioned board for five minutes and do nothing. My dad watches the news and I wait."

"Then I turn over and guess what -- I'm upside down on a cushioned board, and wait for five minutes."

"After five minutes if I get up too fast I get dizzy -- and I mean dizzy."

"After that, I sit down. You know what else I have to do? I have to take pills -- yucky uucky pills (how gross)."

"If only I could get rid of it; it makes me frustrated and makes other people feel I'm special."

"Well I'm not -- I'm just the same as you, no different, not the least bit different. I have a disease. So what? Do you understand why I don't like this awful disease, and believe it? I go through needles once a week and I also get flu shots. I go to the hospital every 14 to 16 weeks and I always have to carry pills around. I have to wear a medical alert (bracelet) and I can't go to most normal camps."

"I had to go to the hospital when I was little for lots of operations. That's why I wish I could get rid of it. As I said, it eats my day and eats our money for all the pills and treatment machines."

"I would just like to try it."

Representation

The first meeting of our new county council is now past history.

Most of the new county councillors -- nearly all of whom had run offering "better representation at the county level" were mostly silent during Wednesday's session, and understandably so.

Within just a few minutes they had all been neatly swept into the swing of county affairs, and whisked into membership on several committees.

As a group, the councillors hold sway over more than \$3 million of county taxpayers' money. The bulk of that money has been spent on roads in years gone by, and it was interesting to see three "newcomers" (new to county, but not municipal, politics) appointed to the roads committee.

Bill Howe seems a very worthy warden honor of being named warden. His continued presence and hard work at the county level may help restore some sense of county pride to the south eastern portions of the county.

One eastern reeve, who has served on county council for four years, asked why minutes were not being sent to his municipality's office. He was told that they always had been.

It would be very easy for the eastern townships to feel alienated from county matters. After all, both Bicroft and Cardiff townships are a stone's throw from Bancroft and a long, twisty drive from Haliburton and Minden.

Several statements made during the course of past council debates show a certain degree of resignation towards the eastern township question. The county, for example, has objected to locating a proposed provincial park in the east, arguing that it would be of little benefit to the county as a whole.

A park, however, might serve to make the eastern townships more of a gateway to the east. Once highway 28 is rebuilt there will be a huge market of potential tourists to tap -- those coming from the Ottawa Valley and Montreal.

Let's hope all our new councillors can contribute, in a positive way, not only to the policies of the new county as a whole, but to the interests of their own home municipalities. Let's have more input, and more debate -- rather than just a couple of speakers per meeting.

Ornamental Christmas.

Letters to the Editor

Christmas Driving

T'was the night before Christmas
And all through the town
People were happy
Not a face wore a frown

And out on the street
Not a driver'd been drinking
It seems they'd all
Been doing some thinking

To drink and to drive

On this day or any
Would endanger their lives
Indeed those of many

So they walked, took a cab
Or just stayed at home
And Christmas morning arrived
With no children alone.

PC Gary Chapman

Merry Christmas and safe driving from all the staff at the Minden Detachment of the Ontario Provincial Police.

Notebook

Martin Biefer

Christmas.

It's become a cliché to talk picturesquely about what Christmas "means" to various individuals. There are clearly two schools of thought -- that Christmas commemorates the birth of Jesus Christ, or that it is a more or less secular time for gift-giving, family reunions, and festivities.

The two meanings have criss-crossed paths through the centuries, and an uneasy juxtaposition of faith and frivolity exists today.

To that end, the *Echo* asked several local clergymen whether they felt Christmas was now more commercial or less commercial than in years gone by.

Reverend John James
Haliburton United Church

"Christmas is still very commercialized -- but I don't think it's any more commercialized than it was five years ago. The real (trend towards commercialism) began 20 years ago."

"More and more people are beginning to look towards the roots once more...and particularly at Christmas time."

"The economic times are tough, and there's not quite the same general sense of (security) not only economically, but in such areas as family life and the future of the world itself."

This causes a basic turning to God, a searching...people are wondering whether, perhaps, there is something different out there."

As for Christmas itself, "I'm becoming more aware of the fact of God coming down to the earth."

Reverend Richard Brewster
Allsaw Pentecostal Church

"Is Christmas more commercial now than what it used to be? Well, even in the time of Christ it was commercialized...Christ was born in a trade town."

"Commercialization isn't harmful (in itself)...it certainly can be, but it doesn't have to be. Certainly there's more of it than there used to be, and some people can get caught up in the materialistic (things) rather than (reflecting on) the way Jesus was born."

"But even with an excess of materialism, still there's a void in some people's lives, and they look a little bit deeper."

"Many times the emphasis of Christmas is placed on Jesus as a baby in a manger. He didn't stay that way. People must think of Jesus as the Lord of all Lords, and the King of all Kings...not just as a baby in the manger."

"There's more to it than that."

Lieutenant Sydney Buell
The Salvation Army

"I certainly think Christmas has become more commercial in the past few years -- but it's something we can control, if we wish to."

"Most people who don't know Christ don't pay too much attention to him." That in turn can lead to "Santa Claus and gift-giving," a secular Christmas. Those people "don't want to think about Christ, because they would then have to do something about their lives."

"Commercialism fills a void...a lot of people complain about all the money they have to spend at Christmas. No one is twisting your arm to spend...Christmas is what you make of it."

"I think it's a beautiful time of year. Those who don't know the Lord turn in other directions, with parties and the like."

Sometimes, in all the gift-giving and festivity, the birth of Christ and His death on the cross aren't dealt with. "The real meaning of Christmas is Salvation."

Father Henry Maloney
St Anthony's Church

"I suppose it all depends on which group you listen to. If you listen to television and radio, Christmas is all of this world -- there's not much mention of heaven."

On the other hand there's the message of "the love of God and of goodwill towards men." There seems "to be two separate camps."

There are encouraging signs, however. "There's a return to God, a desire for God...that didn't seem to be evident 10 to 15 years ago. There's two camps, but the materialistic camp is still dominant."

Generally things "are much more encouraging, however."

Feir Play

by Creighton Feir

This will be the final edition of the *Haliburton County Echo* before the new year. This will also be my last column for the year 1982. The old year will soon be on its way out as we ponder over our thoughts and wonder just what 1983 will have in store for us. The past year in one respect could go down as a year of doom and gloom with plants closing down all over Canada, thousands being thrown out of work and business bankruptcies the news of the day.

The economy is not in good shape and it looks like we are going to have to go through 1983 with another year of recession. It would appear that we have to think positively if we are to get through the upcoming twelve months.

In just three more days it will be Christmas and I thought that this would be a good time to take a look at Christmas and see just what this day means to each and everyone of us. This particular time of the year is a joyful time for many but others tell me that they find that this is a very depressing time of year for them. For many of us it's a time to reflect back on what's happened in our lives during the past year and to give some thought to those who are less fortunate than we are. Christmas is a time for giving and a time for receiving, as we exchange gifts in the tradition of Christmas. This year wouldn't it be nice if we all started to give more and paid less attention to receiving. By giving more I mean to be more thoughtful of others by helping those out who need help and by paying a visit to that person who is lonely -- and who has come to the conclusion that no one cares for them.

It's also time that we started to share love with those who need a helping hand. For some this can also be a very sad time of the year for those who have lost loved ones. At this time of year it just doesn't seem the same without them around. For all of us this should be an extremely happy time of the year because this coming Saturday, December 25 we will be celebrating the birth of Jesus Christ.

Yes, many things have changed, but one thing that hasn't changed is God's word, that is spelled out in the bible, which message is the same yesterday, today and tomorrow. Let us be especially aware this Christmas of all those around us who need the joy and happiness that this season of the year can bring. They will be happy to know that the love of caring and peace and happiness in their hearts, knowing that someone loves them. I ask you then, to look around as you observe the festival of Christmas. Many seem to be unaware of the true meaning of Christmas and go merrily along their way thinking that the holiday season is a good time for a big drunk. This is the way that some people like to celebrate it.

Signe Tashlin (who was the last student to participate in the Adventure in Citizenship programme sponsored by the Rotary Club of Haliburton) was a recent guest speaker at the weekly meeting of the Haliburton Rotary Club. In September she spent five days in the "Chemical Valley" (Sarnia). She gave a brief outline of her trip and thanked the Club for making it all possible. Club members also met the outgoing exchange student, Cathy Woods, daughter of Roger and Bev Woods, who thanked the club for the opportunity to participate in this program. Her destination, hopefully, will be either Belgium or Sweden. She will report back to the club on her experiences at a later date.

In my column last week I reminded everyone to be watching CKVR-TV Barrie last Wednesday evening, December 15 for a feature on the Nicholls family of West Guilford. I was informed by a local sportsman that it would be on the tube between 5:30 pm and 6:00 pm during the news, weather and sports time slot. When the local feature story did not appear on TV on this particular night I was bombarded with phone calls and people coming into the office and meeting me on the street -- all looking for some answers as to why the program was not featured on television. I didn't have an answer to their question but in the meantime I will try to contact the people in charge of the TV station in Barrie and see if it will be shown and when and at what time. In the meantime it looks as if I will have to look up another contact man.

It took two buses to transport supporters of MPP John Eakins from Victoria and Haliburton when they visited Queen's Park in Toronto recently and met with Eakins and some of the Liberal caucus members, including leader of the opposition David Peterson. The two buses were filled when they left Lindsay. Mr. Eakins hosted a buffet, and afterwards the group visited the evening session of the Ontario Legislature.

Members of the Kinsmen Club of Haliburton have informed me that they will be having their draw this Friday, December 24 at 4:00 for the prize of a Trip for Two to Freeport, Bahamas.

The Haliburton Huskies held a very successful dance in the Arena Auditorium on Saturday night. They would like to take this opportunity to thank the following local merchants who donated prizes for the spot dances. Kennedy Surplus, Mike's Milk, Varty Jewellery and Gifts, Cordell Interiors, Driftwood Restaurant and Dixie Lee.

The Rotary Club of Haliburton have been busy of late keeping up their good record of service to the community. In a recent paper we pointed out some donations they had made to local worthy causes and we understand that the club passed a motion to spend up to \$300 on Christmas baskets this year to be distributed by the Salvation Army.

"Serving the Highlands for over 90 years"

The Haliburton County Echo is an independent newspaper serving Haliburton and Victoria Counties for over 90 years. Established in 1882 as The Minden Echo and Haliburton Recorder and amalgamated with The Minden Recorder in 1977. The Haliburton County Echo is published by Algonquin Graphics Limited in Haliburton, Ontario. Box 360, KOM 1B0. Phone 457-1037.

Advertising is accepted on the condition that, in the event of a typographical error, the portion of the advertising space occupied by the erroneous item, together with a reasonable allowance for signature, will not be charged for, but the balance of the advertisement will be paid at the applicable rate.

In the event of a typographical error advertising goods or services at the wrong price, goods or services may not be sold. Advertising is merely an offer to sell and may be withdrawn at any time. The Publisher reserves the right to restrict all ads to their classifications and to edit or reject any copy.

by Bob Stinson

HCSA Trail Maps Available

The Haliburton County Snowmobile Association now have their up to date trail maps available and they are printed on good durable heavy paper. The maps will be provided to members free of charge and extra copies may be purchased at \$1 each. They are also provided in the kits that go with a seven-day temporary membership for \$10. Any visitor to the area wishing to ride the HCSA trails will have to purchase at least a seven-day membership if they are not members of an "Alliance" club at home.

The HCSA also advises us that the trail wardens will not enforce this membership rule during Snowrama on February 5. Out of respect for the very worthy cause, that Snowrama represents they have agreed to welcome all participants onto the trail system without any charges.

Since the snowmobile clubs now must rely solely on memberships for their funding we sincerely hope that everyone will approach this new "user pays" philosophy in a cooperative spirit.

Letters bring response

As we said in last week's column we have been contacting several media sources to ask for better coverage for the Haliburton Highlands. The immediate result was last week's radio interview on CBC Ontario Morning to talk about our county ski facilities. We didn't have time to cover the entire lot, since once we put together a list we found that we have 206 km of trails presently being groomed and open to the public, another 49 km which are for the exclusive use of the guests of the resort that owns them, and another 115 km of trails presently being developed.

This totals 370 km of trails being offered by 18 different businesses, clubs or government agencies. We talked about as many as we could get in along with a rundown on the new facilities at Sir Sam's Ski Area. With the addition of their second chair lift and the "T" bar and pony lift we expect the reputation for no long line-ups at the lifts at Sir Sam's can be continued. Watch for our

newsletter coming out shortly for more details about ski facilities in the county.

Further responses from our letters have now been received from both the **Toronto Star** and **CHAY - FM**. **Star** travel editor George Bryant called to let us know that he had passed along the materials we had mailed to him to freelance writer Walker Skol with a request that he contact us to consider a story on winter for next year. **CHAY's** Bob Bowland called and we discussed a number of ways we may be able to improve our communications. For starters a copy of this column will be mailed to him each Monday when it is prepared so that they can scan it for useful news items. We also discussed setting up some telephone interviews on items that would be of interest to their listeners.

interest to their listeners. The Weather Reports we prepare are being considered along with the coming events segment.

We are impressed that there is a willingness to communicate and we will be striving to make it happen. As always, however, we need your cooperation to keep us well informed on the events and happenings that you are planning. Keep us "tuned in" by calling 286-1760 and we will do our best to spread the word.

Season's Greetings

The holiday season is upon us and with it the winter tourist season commences. Accommodation throughout the county is booked solid between Christmas and New Years and most reports indicate that the balance of the season is shaping up well also. Each year more facilities are becoming available year-round and this trend should continue and help bring more economic stability to our area.

On behalf of the staff and the board of directors of the Chamber of Commerce we wish all the readers a very happy and bountiful Christmas and we hope that the New Year will bring prosperity to all of you. We also want to say thank you for your support over the year just past. We will continue to do our best to deserve it.

Queen's Park

by John Eakins, MPP

Foreign Land Ownership

According to a Ministry of Agriculture report, more than 57,000 acres of Ontario farmland have been bought by or on behalf of foreigners in the last two years. Liberal agriculture critic Jack Riddell, who has been urging the government to take action on this question for some years, says the increased foreign ownership will lead to deterioration of rural communities, making farmers "feudal tenants." However, the minister does not believe that foreign ownership is a serious problem and has no plans for legislation to control it.

Injured Workers

Ontario's injured workers will get a nine per cent increase in benefits under a Ministry of Labour proposal which has the support of all three parties. Changes are retroactive to July and would raise the minimum permanent disability pension to \$748 a month from \$686. Liberal leader David Peterson would have supported an even higher increase but will move quickly to get the pay raise through. Other changes include a new rate of \$537 for a dependent spouse's pension, \$149 for a dependent child, \$167 for an orphaned child, and a burial allowance to a widow or widower of \$1,200. The ceiling on covered earnings will rise to \$24,200. Some 70,000 Ontario workers are on full disability pensions.

Pension Reform

As David Peterson has frequently pointed out, Ontario has refused to make a commitment on the child-rearing drop-out provision for pensions. Changes in the Canada Pension Plan require the support of two-thirds of the provinces with two thirds of the population. This effectively gives Ontario the power of veto. The Premier has now indicated that Ontario is sympathetic to allowing women to leave the labour force temporarily to raise children without losing pension benefits. He has also stated that the provinces might be able to

agree to certain pension reforms soon rather than waiting up to two years for studies by Ottawa.

Domestic Abuse

An all-party legislative committee has recommended that the police lay charges in cases of wife-beating and that the province help finance a network of halfway houses for women attempting to escape violence at home. There are some 500,000 battered wives in Metro Toronto alone, and the committee believes that wife battering "must be treated as a crime -- too many persons, both in positions of authority and in society at large, tacitly approve of wife-battering by treating it lightly." Currently, the burden of laying charges is upon the victim, which the committee considers "unfair and ineffective." Emergency shelters "are an absolutely essential element in protecting assaulted women from further violence."

Family Law Reform

The province plans a major review of family law reform, and the attorney-general has stated that "any important reform has to be adjusted from time to time...cases such as Leatherdale make it seem that the legislation isn't working." You will recall that Barbara Leatherdale was recently awarded one-quarter of the stocks and savings acquired by her husband during their 19-year marriage, and women's groups have protested the law fails to take into account the contribution to a marriage of a homemaker. Also part of a legal review will be the recent case involving 20-year old Justin Clark, who won a court battle with his parents and was declared competent to run his own affairs, despite his cerebral palsy. MPP Albert Roy of Ottawa East questioned whether costly court battles were the best method of resolving matters of mental competence of handicapped people, and the attorney-general replied that the issue would be covered by family court Judge Rosalie Abella's investigation into the accessibility of legal services.

Report from Parliament

by Bill Scott, MP

In the past couple of weeks there have been two significant events in the life of Parliament and Canadians. Both of these events were reported in the media, but I believe their importance has not yet been felt and probably will not be until the New Year. I will discuss the first in this column and tackle the effects of Bill C-139, An Act to amend the Statute Law relating to Income Tax, next time.

The first event was the tabling of the final report of the special committee on standing orders and procedure. Their task was to examine the existing rules of the House of Commons and recommend permanent or temporary changes designed to streamline the legislative process and give the Members more opportunity to participate directly in the formulation of legislation.

The committee held 25 meetings from June 29 through to November. It recommended several experimental changes be brought in on a trial basis for one year. By unanimous consent, on November 29, it was agreed that these trial changes will go into effect for a period of one year commencing on December 22, 1982.

Under these changes, Parliament will have three fixed sitting periods. The Winter Semester will begin on the fourth Monday following the end of the Fall Semester. This is expected to be January 17 in 1983. The House will adjourn for the Easter recess on the Wednesday preceding Good Friday. The Spring Semester will begin on the Monday following Easter Monday. The summer recess will begin on June 30 or on the preceding Friday if June 30 falls on a Saturday or a Sunday. The Fall semester will start on the first Monday

following Labour Day. It will adjourn for one week on the Friday preceding November 11 and continue until the Wednesday preceding Christmas Day.

The daily timetable of the House is amended so that sittings begin at 11:00 am excepting Wednesday and adjourn at 6:00 pm Monday, Tuesday, Wednesday and Thursday and 5:00 pm on Friday. No evening sessions will be held. This time will be reserved for committee work. No recorded votes will take place on Friday.

Speeches will be limited to 20 minutes with an additional ten minutes following for questions or comments to the Member who has just spoken. Standing Order 43 which allowed for making a motion of urgent and pressing necessity has been deleted. In its place, a new Standing Order 17A will allow any Member to make a one and one half minute statement. Several changes have been made to the technical procedures such as the new rule which demands that before adjourning the House due to a lack of quorum, the Speaker must direct that the House be counted.

If fewer than 20 members are present the bells must be rung for fifteen minutes after which time a count must be taken. If fewer than twenty are then present the names of those present must be recorded and the House adjourned.

As a former assistant deputy-chairman of committees of the whole house, I look forward to this trial period. I think the all-party committee did an excellent job in their proposals. Any reforms which can increase the efficiency of Parliament are welcome. It remains to be seen how they will work in this present format, but I am optimistic at this point.

Robbie Abbs escapes from a Midland forward as he digs for the puck behind his net. Despite a good effort against very tough opponents the Huskies came out on the short end of an 8-2 score Saturday night against Midland.

Huskies drop three more games

The Huskies did not fare well in three games played over the week-end.

On Friday night in Penetang Haliburton was humbled 15-1. Mike Rae got the only Huskies goal, from Glen Evans.

Penetang got three in the first period, four in the second, and eight in the third. Greg Stamant did a lot of damage for Penetang, with three goals and three assists. Blair McReynolds scored two goals and added four assists.

Huskies' goalie Duane Lennie faced 52 shots, com-

pared to just 22 handled by Kevin Steele in the Penetang cage.

On Saturday night in Haliburton the Huskies were beaten 8-2 by the visiting Midland Centennials. Trent McElwain scored for the Huskies in the first period, from Kevin Shapiera and Scott Mitchell. Shapiera himself scored from Butch Manary and Glen Evans in the second.

For Midland John Walter, Ken Mogford and Brian Cadeau each had two, while Paul Hahn and Shawn Davy added singles.

In Bracebridge Sunday night the Huskies lost a close one 4-2. After Bracebridge romped to a 3-0 lead in the first on goals by Bakema, Henshaw and Quemby, Haliburton's Rob Abbs made it 3-1, with help from Kelly Mitchell and Mike MacNaull.

Bracebridge centre Ian Brown propelled his mates into a 4-1 lead midway through the second, and despite firing 42 shots at Bracebridge goalie David Finch of the Huskies weren't able to capitalize until 17:38 of the third, when Mike Rae scored from Kevin Shapiera on the powerplay.

Haliburton HeadNuts nip Bancroft 4-3

On Saturday, December 18 Bancroft visited Haliburton for their second time this season. Bancroft opened the scoring at 6:44 of the first period. Haliburton came back a minute later when, on a face off in Bancroft's zone, Steve Prime got the draw to Kelly Youngdale, who passed the puck to David Hodgins on the point.

His shot forced the goal. In the second period Bancroft again took the lead.

Haliburton however scored three times late in the second on goals by Allan Rydeman

from Andy Willis; Allan Rydeman again from Wallace Wood and Mark Robinson; and David Hodgins, unassisted.

Haliburton ran into penalties in the third period, at one time playing two men short. Bancroft got a goal with five minutes to go in the game to make the score 4-3, Haliburton. Another penalty by Haliburton late in the game allowed Bancroft to keep the pressure on. In the last minute of play Bancroft pulled their goaltender for an

extra attacker.

Steve Prime got the puck at his blue line and after crossing centre made a move as if to rush in and instead shot the puck into the net with one second to go, only to have it called back because of offside.

Honorable mention to Bancroft's goaltender, Geoff Jenkins, who made some excellent saves including one on a breakaway by Andy Willis.

Best wishes to the team and their families.

Novice White team defeats Wilberforce 4-0 on road

Greg Sutherland scored two in Haliburton Novice White's 4-0 victory over Wilberforce on Saturday. Other goal scorers were

Scott O'Neil and Jeff Black.

Also playing strong offensive games were Jamie Stouffer and Peter Buckley.

Matheau Brydon and Reid Elstone turned in strong defensive games again to help Chris Greenfield obtain his shutout.

Emmerson's edges into top spot

Emmerson's has moved into a slim, one-point lead in Industrial League play after a pair of excellent hockey games at the Dysart arena Monday night.

In the first game the much-improved Haliburton Lumber squad skated to a 5-5 standoff with Emmerson's. Then, in the nightcap, Bishop and Wilson scored on an electrifying 5-4 win over Curry's, who now slip to second place.

Haliburton Lumber 5 Emmerson Lumber 5

Emmerson's rolled to a quick 3-0 lead through the first period. Joe (Gretzky) Roberts scored four goals in the night. Roberts scored from Sheldon Nicholls at 14:37 to open the scoring. Then John Fitzgerald tallied, from Paul Morissette and Gary Brohman.

Roberts' second goal of the night -- with just one second

left on the clock -- made it 3-0. Mark Schell and Keith Hodgson drew assists.

But Haliburton Lumber roared right back. With only eight seconds gone in the second Roger Bain found the mark, with the help of Ken Riley and Bob Woodcock.

Emmerson's made it 4-1, however, when Roberts scored from Nicholls and Gary Walker.

But a short-handed goal by Bain (from Steve Barker and Brian Mulholland) made it 4-2 with 9:39 to go, and then with 3:24 showing on the clock, Mulholland scored from Bain and Bob Woodcock.

Emmerson's made it 5-3 at the 9:09 mark, when Roberts got his fourth from John Fitzgerald. With 8:54 to go Bain completed his hat trick, from Mulholland.

After some excellent saves at both ends by goalie Bitman and Hartin, Ken Riley got the tying goal, from Mulholland and Bain. The tie moves Haliburton Lumber into third place, just two points behind the leaders.

Bishop and Wilson 5 Curry's 4

The last place B and W squad knocked off Curry's Monday night -- but the fortunes of Curry Motors may pick up when mainstay Tom Curry gets back in the lineup.

However, B and W played their best game of the season and were more than full value for the win.

At 4:59 Greg Bishop got things going for B and W, with help from Terry Robinson and Lee Bull. Steve Roberts of Curry's tied things up at 6:02, from John Robinson, but a goal by Steve Cooper with 9:07 to go

in the first (from Terry Robinson) made it 2-1.

John "King" Parish made it 3-1 for B and W at the 10:35 mark, with assists from Wayne Ellison and Kim Emmerson. But Kevin Sisson of Curry's (from Drew Carey and Jim Burk) got Curry's right back into it.

Lee Bull put B and W up by two with 2:30 to play -- Steve Cooper and Terry Robinson got assists -- but again Curry's fought back.

With just 21 seconds left in the period Glen Scully tallied from Bob Nicholl.

At 1:42 of the third Lee Bull got his second of the night from Terry Robinson and Steve Cooper. Curry's battled back to within one goal again, as Scully got his second from Rennie Bonfield and Drew Carey.

Curry's put incredible pressure on George Schmid in the B and W cage. There were some very close calls -- but Schmid kept the door closed.

With just under a minute to go Steve Kirkpatrick skated to the bench, and Curry's tried their luck with a sixth attacker. B and W made a couple of tries at the open net, but were called for icing, and it all boiled down to a face-off with just six seconds to go.

There was a scramble -- but time ran out.

The players will take a break over the Christmas holidays but will be back in action in 1983. Bob Nichol has compiled a complete set of standings, which are reproduced on the opposite page.

A new director is appointed for the Hockey Haven

Haliburton Hockey Haven, one of North America's premier hockey and summer camps for boys seven to fifteen, is pleased to announce the appointment of David Ross McDowall, a seasoned player, coach and instructor, as its new hockey director.

Dave brings to Haliburton Hockey Haven an enviable level of hockey expertise and teaching experience. The 33 year-old native of Toronto played Major Junior with the St. Catharines Black Hawks of the Ontario Hockey League before going on to the

University of Toronto Blues where he was part of three Canadian Interuniversity Athletic Union Championship Clubs. He later played and coached with EHC Kloten (Switzerland) and Seibu Tetstudo (Japan).

Acknowledged as a leading hockey authority,

Dave's credentials include: university degree in physical and health education; assistant technical director of Hockey Canada; assistant technical director of the Canadian Amateur Hockey Association and program consultant and technical director (coach-

ing) to the Hockey Ontario Development committee.

At this time Dave has returned to coaching and is a member of the National Hockey League's Winnipeg Jets' organization behind the bench of the Brandon Wheat Kings of the Western Hockey League.

Inter-City Tire slaughters Bancroft 13-4 on home ice

Just to ease anyone's hostility who might think a touch of sarcasm was meant in reporting a 'big 3-2 win' for Inter-City Tire over the pharmacy last week, it was a big win, but the correct score was 13-2. Apologies to any offended players or fans.

This past Friday they came up with another win, this time 13-4 when they met Bancroft Old-Timers at home.

Looks like that number 13 could prove not to be an

unlucky number for this team. Sunday they travelled to Apsley, results are as yet unavailable.

True we had our share of shovelling that white stuff last year, but with December half over there aren't too many folks who wouldn't welcome just a little more snow now, especially ski and ski-doo enthusiasts. Bill Thomas of the Wilberforce Ski Resort tells us they've been working to ready their tow, and as soon as there's a

bit more snow down, everything will be underway on both the cross-country trails and downhill slopes. It may be a little early to think about yet, but Bill passed along some rather exciting news concerning Hillclimb '83.

You'll remember the tremendous success of Bill and Jean, together with Canadian champion John Williams when the first Hillclimb was held here this past August. They have just received notification that the

Hillclimb '83 has officially made the American points system with the date being set for next August 14. No other motorized sport in Canada has ever been included in the system, so this is certainly a terrific achievement that will certainly be beneficial to the entire community when we swing into summer.

Back to more seasonal sports: The Bantams came up with a 9-3 win against

Bancroft on the weekend, while the Atoms continued their phenomenal six game shut-out record when Bancroft fell 8-0. The PeeWees were defeated by Haliburton 8-1. While the Novices also fell to their visitors 4-0. Both the Novices and Atoms will be resting up till January.

PeeWees plays Bancroft on December 20, but results are unavailable. The Bantams will host Bancroft December 23 at 6:30 p.m.

Atoms win

The Haliburton Atoms shed a recent slump and picked up a tie and a win over the week-end. On Friday evening Haliburton hosted Minden. This fast-moving encounter ended in a 1-1 tie on goals by Rob Ackerblade from Kent Taylor for Minden and Barry Willis from John Vuksic for Haliburton. Goal-tenders Jason Morrisette for Haliburton and Randy Bull for Minden both turned in excellent efforts.

On Saturday Haliburton travelled to Baysville and came away with a 9-2 victory. John Vuksic led the Haliburton squad with four goals, closely followed by Craig Bain with one goal and three assists.

Ryan Griffin from Chris Dair, Bryan Waller from Chris Dair, Chris Dair from Shawn Perrin, and Shawn Perrin from Jeff Stamp rounded out the scoring for Haliburton. Chris Hammond had both goals for the Lake of Bays. Jason Morrisette once again played brilliantly in goal and his excellent play seemed to inspire his teammates who all enjoyed one of their best efforts this year.

George Schmid turned in a standout performance Monday night as Bishop and Wilson surprised Curry

Motors 5 - 4. It was a good team effort for B and W who earned their second win of the year.

Minden minor hockey scoreboard

On Saturday, December 18, Huntsville downed Minden 8-2. Aaron Hie scored both goals for the Minden Novices in a losing cause.

On Friday, December 17 the Minden and Haliburton Atoms skated to a 1-1 draw. Robbie Ackerblade scored for Minden. Then on Saturday, December 18 Huntsville topped the Minden boys 4-1. Randy Bull had another good effort in goal for Minden. Coach David Dollo was well

pleased with the effort of the boys Saturday, as the score remained at 2-1 until the last minute of play, when Huntsville scored two quick goals.

Kent Taylor (from Joey Boyle) scored the Minden goal.

Baysville beat the Minden PeeWees 4-1 in a road game played December 16. Sheldon Perry scored for Minden. Home ice must have made the difference here, as the same Minden club hammer-

ed Baysville 7-1 last Sunday here.

Huntsville downed Minden 11-4 in a home game Saturday. Scoring for the hometown club were Scott Russell and Trini Elias, each with a pair of goals.

The scores are not available for the Bantam club's match with Huntsville. The Juveniles lost at home to Bracebridge 9-5 Sunday. Scot Hamilton led the Min-

den attack with four goals, while Greg Newell added a single.

The difference proved to be penalties, as Bracebridge scored five powerplay goals to one by Minden. Minden racked up 22 minutes in penalties compared to just ten for Bracebridge.

No home games are scheduled until after the New Year. An annual juvenile tournament is slated for January 8.

PeeWee II club blasts Wilberforce 8-1 on Saturday

On Saturday, December 18 the II's traveled to Wilberforce where they completely dominated the game. At the 7:22 mark Ben Packard was to score assisted by Darren Warburton. The period ended 1-0.

In the second the II's came out in fine fashion scoring at

the 9:03 mark. Jeff Emmerson scored, helped out by Packard and at 3:43 Scott McKee from Packard, and Warburton from Emmerson and Darren Byers at 1:34.

Wilberforce was to score their only goal at the 13 second mark. The period ended 5-1.

In the third the team came out slower and were held off the scoreboard until the 3:10 mark when McKee was to score his second from Ray Gervais and McKee was to score the hat trick at 2:54 from Roland Greber. The final goal came at the 2:06 mark when Gervais was to

tack one in from the side of the net assisted by Byers. Final score 8-1.

The team is now off until January 8, 1983 when they will travel to Bancroft. The manager and coach wish all the players and their parents a Merry Christmas and a prosperous New Year.

Snow a welcome sight for skiers and snowmobilers in this area

Good news for skiers -- the snow is here to stay.

Most cross-country and downhill ski areas in the region are reporting good conditions. Bob Bishop of Sir

Sam's ski area says the resort will open on Boxing Day, December 26, and added that the new chairlift will be operating.

Conditions are also good

for snowmobilers.

Bishop said that only a thaw or rain could impede the progress of the season.

In a related story, Bishop noted that there had been

only one problem so far on the new turnoff to Sir Sam's.

However, Bishop says that the MTC is putting incredible amounts of sand on the hill.

Shawn Davy of Midland (dark jersey) flips a backhand as Dave Lennie (left) and Bret Austen (right) drop back to protect goalie Colin Newell. The

Huskies were beaten 8-2 Saturday night by a tough team from Midland.

Roy Nicholls (left) and Donald O'Connell of the Haliburton District Lion's Club stand with one of the last turkeys they have left. Why? Well, the Lion's

Club gave out 36 plump birds to needy families for Christmas this year. O'Connell thanked Derrell Stamp and Dick Schell for their assistance.

Seniors enjoy dinner at Legion Branch 129

On Thursday evening, December 16 there were 129 senior citizens on hand at the Haliburton Royal Canadian Legion for their annual Christmas dinner.

After we sang the grace, the ladies of the auxiliary served us a delicious beef dinner. So many commented on the generous servings they gave us, and what enthusiastic eating.

Our master of ceremony for the evening was Jack Bassett, who led us in the singing of the Christmas carols.

Our Senior Citizens president, Les Hughes spoke to us and our reeve, Murray Fearrey, said a few fitting words.

"The Sour Notes" started out as a group of seven men from the Lochlin, and Ingoldsby United Churches. Because of these men seeing the need to do a little some-

thing extra at their Christmas concert they are today growing more popular.

They are Ron Little, John Newson, Bert Smith, Gerry Fentham, Jack and Keith Hill and Howard Robless.

If you haven't yet seen "The Sour Notes" playing, you are in for a treat.

They favored us with music from believe it or not, home-made wooden instruments; that they ever got music from these things was unbelievable. They were terrific and their antics and garb added to the fun.

The tables were cleared and pushed aside, in anticipation for our next exciting entertainment of the evening.

Mrs Tony (Linda) Salvatori our female disc jockey had lots of our favourite records, but unfortunately (and I am sorry about this) our callers

for our square dancing had to leave. I know there were many who were looking forward to twirling their fair lady around; but just you wait, next year we will have some square dancing.

If Santa had taken a peep into the Legion at that time, he would have chuckled to see how "young at heart" the Senior Citizens are dancing to the swinging music of Linda Salvatori.

We had a most enjoyable evening, many thanks to the folks who came out to make it all worthwhile.

To Virna Wagg and Evelyn Henderson, who worked so faithfully selling the dinner tickets, and to Peggy Bassett and Bessie Burke who were responsible for the good music. And our MC Jack Bassett who had everything running smoothly. The draw on the afghan

that was donated by Phebe Shivas, was won by Bessie Burke and the wall hanging that was donated by Gwyneth Hughes, was won by Evelyn Henderson.

There are many Senior Citizens here in Haliburton who through their beautiful talents, hobbies, money and their time, contribute in their way to make our Senior Citizens Thursdays and our Bazaar, such a rewarding success. The Seniors contributed a cheque for \$500. to our Red Cross hospital, towards an automatic blood pressure machine.

We look forward to the new year 1983, when we will meet again, at the Dysart Community Arena on Thursdays for lunch.

Till then, God Bless you everyone.

Novice Blue team drops 5-1 game to Bancroft

Haliburton Novice Blue played Bancroft on Saturday, December 17 and lost 5-1. This was the second meeting of the two teams with the same results. Bancroft's Darrin Szczygiel in the last game scored four goals and this game scored four goals. It is going to be a real chore

for Haliburton next game to check Darrin in order to beat the Bancroft team.

Haliburton opened the scoring with a goal by Jason Casey assisted by Chad Bain and Jordon Howard. The goal resulted because of the good defensive work at the

blue line by Mathew Williams and Mike Rosenberg. After Haliburton's goal Darrin and the Bancroft team went to work scoring five unanswered goals.

The score might have been higher if it wasn't for the outstanding work of Todd

Hargreaves in the Haliburton goal.

He stopped three clean breakaways and numerous other opportunities that would have been sure goals. The Haliburton boys tried their hardest but were outplayed by a strong Bancroft team.

Bethany Wood wins draw

Bethany Wood of Haliburton was the winner in the cushion draw at Mary Lou's Take-out last week.

The winning ticket was drawn by Martin Biefer of the Echo.

Public skating times set

The Minden Nursery lay would like to announce that their public skating will be held every Wednesday in

January from 1:00 p.m. until 2:00 p.m. Admission is 75 cents, everyone is welcome.

Senior League

Saturday afternoon the Highland Association Cross Roads singers came to Hyland Crest, and the way they entertained us we were surely blessed.

They not only sang so beautifully, and had some different skits -- no matter what they did for us, we loved it, every bit.

Sorry to miss church here Sunday night. We went to Carnarvon Sunday school concert, which we thought was only right. For 24 years, Carnarvon was our home, so back that way we always have to roam.

Our head nurse Melinda Wood has been away on a holiday. The nurses have behaved quite well, while she has been away.

Mrs Walters had a Christmas dinner this week with her daughter-in-law and daughter.

Mrs Ida Schell fell, and hurt her arm, glad she didn't do any more harm.

Linda showed us three movies, on Monday night.

"Olden Days" was the first title -- then "Fuzzy Duffy" and then "Gaston's Recital."

Tuesday morning, Rev Wicks of the Minden Gospel Church took the service in the Chapel here, he spoke on "For unto us is born this day, a Saviour who is Christ the Lord," a message we hold dear. Our girls came to sing and play. We thank them all for coming this December day.

We would like to thank all who are responsible for decorating here so lovely.

Payne and Deacon came to entertain us Tuesday night. The music they played suited us just right.

Wednesday afternoon, the folks from Allsaw Pentecostal Church came here to entertain, they sang so lovely, we hope they come again.

Linda English, along with her spouse in Gelett town have bought a new house.

Thursday morning down in the gym Millie Wood won knocking down the pins.

The senior ladies of the

Minden Curling Club came in this Thursday afternoon, with real good grub.

They not only brought it in, but served it up so nice, a finer lot of ladies never curled on ice.

Edith Welch, down at the Wagon Wheel, won a lovely dinner for playing progressive euchre. She was the winner.

Our administrator is getting around now, with the help of a cane. He says his ankle isn't causing nearly so much pain.

Thursday night is Bingo night here at Hyland Crest. Doug Ripley came last night, and was sure our special guest.

We thank the members of the Kinsmen Club for coming each week in 1982. A merry Christmas and a happy New Year is what we wish for you.

On behalf of the residents of Hyland Crest, I want to say a big thank you to those people who come each week, and give us of their best.

Grace Coburn, Fred Ballard and Norma Baron: their

Bert Harrison

talents with us they are sharing. Norma or Fred play the organ music, Grace leads the singing -- she always has some humorous poems, and her singing is so grand. We're sure some day, they will entertain in that promised land.

The members of the Minden Gospel Church came here on Friday night to entertain us, so graciously and did the job just right. They played and sang, Christmas carols and read the Christmas story. Marjorie Johnson lead in prayer. We were surprised to see so many here. Three selections played and sung by Ray Johnson and his wife Chris. This was something you wouldn't want to miss.

Then the young people gave us a Christmas card and book mark, "Silent Night". The way they entertained us was a real delight.

To all our readers and those you hold dear, a real Merry Christmas and a Happy New Year!

Carnarvon News

Mr and Mrs Bill McKay and sons spent a few days in Toronto celebrating an early Christmas with Jan's family.

A number from here attended the Frost Centre Christmas party on Saturday night with a pot luck supper followed by dancing to the music of Philip O'Reilly -- a good time was had by all.

We are sorry to learn that

Elsie Hornely had an accident on highway 35 on Friday when she slid off the road she was taken to Minden hospital with head injuries and apparently her car was a write off.

Santa Claus paid a visit to the Stanhope fire hall on Saturday, bearing gifts for the children and senior citizens at the Fireman's annual

Christmas party.

Mrs Russell Walker is home from the hospital and we wish her a speedy recovery.

I would like to wish our readers the warmest of wishes for the festive season, both here and in the sunny south.

We are sorry to learn that Mrs Russell Walker is con-

fined to a Toronto hospital and at last report was coming along well following surgery.

Mr and Mrs Max McKay and Dee Jennings spent a few days visiting in Petawawa.

Home from vacations in Florida are Mr and Mrs Paul Harrison of Hall's Lake and Mr and Mrs Bill O'Reilly of Boshkung.

The lot of a policeman: a deer suddenly appears on the highway, a car hits it and the deer goes over the top only to be run over by a second car, which really missed the unfortunate beast. A third car comes upon the remains of the dead deer and slides into the second car which then runs into the first car.

This happened one evening last week on 35 between Norland and "Coby." I'll bet one like this could start a lot of good arguments and I don't envy the policemen their jobs!

Rain one night and bitter cold and snow the next. No wonder there's so much flu and colds going the rounds! Shirley Newman, Chris Kerr, Alex Graham, Mary Hartin, Jr., are just a few of our ailing friends this past week. Hurry and get well folks, Xmas is just around the corner.

Hope all of you have a merry one.

A pot-luck dinner was enjoyed at the home of Len and Ken Taylor's on Crystal Lake, Thursday, December 16 in honor of the birthdays of Yvonne Dyer and Mitzi Alzner. There are twelve friends present to help in the celebration. The next pot luck dinner will be held February 17.

I'm also told a number of Kinmount people attended the pot luck dinner at the Baptist Church in Norland last week and enjoyed it tremendously.

Barb Fountain and Marion Scott were two of the ladies attending.

Results of the Wednesday night euchre party at Galway: men's high, Harry Stuart; men's low, Bob Allen, ladies high, Mitzi Alzner; ladies low, Flo Drinkle; most lone hands, Frank Franzen.

NOTICE OF PUBLIC MEETING

TAKE NOTICE THAT a Public Meeting of The Liquor Licence Board of Ontario will be held at THE CITY HALL, COUNCIL CHAMBERS, 500 GEORGE STREET NORTH, PETERBOROUGH, ONTARIO, on THURSDAY, JANUARY 13th, 1983 at the hour of 10:00 o'clock in the forenoon, at which time the Board will hear applications for new licences in accordance with The Liquor Licence Act, and Regulations thereunder.

The following establishment has applied for a licence of the class indicated, and the application will be entertained at the aforementioned location and time:

Happy days to the birthday girls.

Once again the Santa Parade was a huge success in Coboconk. We attended with Jason, and the Legion hall later, was packed with children young and old to meet old St. Nick. It was bitter cold and thanks and congratulations to all who participated in making the day a happy one.

While in the thanking department, I would like to extend my own sincere thank you to all of you who helped me in attaining my Avon president's club goal this year.

The Kinmount Legion Bingo will be taking a holiday break and will resume January 7.

Why not try some of these for your sweet tray? They're called Snowballs: 3 cups finely chopped peanuts, 1 can sweetened condensed milk and some icing sugar.

Combine peanuts and sweetened condensed milk in a saucepan. Cook and stir over low heat until mixture forms a ball and pulls away from sides of pan (5 minutes). Cool to room temperature (1½ hours) and form into 1 inch balls. Roll in icing sugar. Makes 4 dozen.

We passed the fire engines and a number of the volunteer firemen hurrying to a fire on a Thursday night recently. I'm told there was a fire in the roof area, possibly the chimney, as there were lights trained upon it, at the

home of "Lil" Liscombe on highway 35.

Bill and I met a number of people we know, from Kinmount, Norland, Coboconk, Fenelon Falls and Minden while we were shopping in Lindsay last Friday.

Short column this week folks but today, Saturday, with but one week to Christmas, I still have decorating, wrapping, marking, baking, cleaning, the tree plus all my other numerous endeavours to take care of. We now have our phone back in service and it's the same as at the river, you can reach me at 488-2353. Let us all know who visited and what went on over the holidays.

The annual children's Christmas party was held at St James Anglican Church hall in town on Friday evening and was enjoyed by all who attended.

Must get busy here, but until next time stay healthy and happy. Have a most enjoyable Christmas followed by all the best things in the new year. God bless! -- 488-2353.

Editor's note: When Mrs Moss was moving, a gift-wrapped bamboo bird cage was lost. The present's tag read "To Mom and Dad from Bonnie". If anyone finds it, please call her at 488-2353.

Guilford Potpourri

Hi everyone, this is your local reporter, taking advantage of this column to wish everyone in the area a very Merry Christmas and a Happy New Year.

Tom, Janice and Sarah Jowett of Toronto will be spending a few weeks in West Guilford as guests of Mike and Sharon Sisson.

Carrie Sisson has passed her swimming lessons at the PineStone Inn, and she is now a fully qualified tadpole. Carrie would like to wish her cousin, Craig Barry, a very happy birthday on Christmas day, he will be six.

Mr and Mrs Garth Henderson have two more Christmas presents to buy this year as their two daughters have had babies in the last month.

Jean and Junior Laporte, of Haliburton, had a baby girl last week and June and Wayne Willis, of Oshawa had a baby boy, James Ronald a few weeks ago.

Paul and Linda Hebert received an early Christmas present this year, their son, Bobby Edward, was born in the Soldiers Memorial Hospital in Orillia on December 15. They are also celebrating their tenth wedding anniversary on Christmas eve.

Ken and I will be celebrating our 22nd wedding anniversary on New Year's eve.

If the weather stays as nice as it has been, I will not be writing a column next week as we will be going to Guelph to spend Christmas with my

Well my friends, as this is the last issue of the paper for 1982, it is going to be a mixture of Christmas, and the new year.

They said we would likely have a green Christmas, but as I write this unless we get rain this week, it will be a white Christmas.

Isn't it nice to have the first cleaning out of your drive on December 19, it seems to make the winter that much shorter, unless the snow lasts until May, God forbid.

Did you know that our Christmas customs and traditions came from all over the world?

Christmas seals started in

Denmark in 1904; Christmas trees were erected at Strasbourg, Germany in 1604; kissing under the mistletoe is a gift from Scandinavia; Christmas stockings originated in Turkey; Christmas gifts began with the Dutch and Germans; Poinsettias are from Mexico; Christmas cards hail from England. It sure looks like we are a country of many traditions, even if we are all Canadian now.

Since there is no paper next week, here are the birthdays at Hyland Crest Home for January: Doris Vaughan, first; Hugh McEachern, second; Annie Cox, eighth; Herbert Shorter, eleventh; and Royce Harrison 30th.

Start the new year right by sending a birthday card.

What is Christmas? Is it just a day at the end of the year?

A gay holiday filled with merry good cheer, a season

for presents -- both taking and giving?

A time to indulge in the pleasures of living?

Are we lost in a meaningless, much-huddled daze, that covers our minds like a gray daze?

Have we closed our hearts to God and his love? And turned our eyes from the bright star above. That "Peace on Earth, Good will to Men", is it still a promise that man can claim, if "He but seeks it in thy name?"

Christmas is your faith in all that is good in the world -- Christmas is the selfless spirit of doing for others -- Christmas is laughter and friends; and the spreading of cheer... and it is the guileless wonder of childhood.

Christmas is the sweet joy of families united... it is the tender knowledge that you're loved by someone... and that you have someone to love.

Christmas is all the things free men fight for... let us

keep it shining for all the world.

Mr and Mrs Lloyd Brownridge of Scarborough, Mr and Mrs Keith McKay of Scarborough, Mrs Leslie Coulter and Mrs Doreen Davis of Kirkfield all visited with Mrs Ethel Harrison on different days last week.

The county librarians held their workshop at the county library office on December 15, then enjoyed a delicious luncheon at the PineStone. All the libraries were well represented and enjoyed their get-together.

Winners at last weeks mini card party were - cribbage, Dora Dawson; euchre, Ada Turrell; lone hands, Hilda Harrison.

Surprise gifts Diane Stevens and Mary Maidens. There is no party this week.

Mr and Mrs Alan Brydson and family of Bracebridge visited with relatives in the area last Saturday.

Chatting with Irene

from page 9

As we approach the end of 1982 our thoughts drift back to the events and people that shaped our lives over the past twelve months. The texture of our lives shifted and changed with the dwindling dollar and the growing cost of living, the gloomy voices of unemployment, labor disputes and violence. How have we coped with these conditions?

Have we been kind and considerate to those we love and who mean the most to us? Have we been thoughtful to the sick and the afflicted? Are we mindful of our blessings?

Let us be thankful that we live in a free country and count our many blessings. Perhaps it will help us put some of our more pressing problems in the background for a while.

The Minden Women's Institute held their Christmas party at the United Church hall on Wednesday afternoon, December 15, the president opened the meeting by welcoming the 18

members and three guests, all of whom answered the roll call with a Christmas verse.

Mrs Vera Cowen was warmly welcomed. Several Christmas and thank you cards were read. Fourteen cards had been sent out since the November meeting, collection for the card postage, also pennies for friendship was taken.

Business was concluded after the announcement of the January 1983 meeting being at St Paul's Parish hall on Wednesday, December 19 at 2 pm.

Mrs M Bunker acted as pianist for the Christmas carols that were sung, then Mrs Cox and Mrs Sears gave out the exchange of gifts, also those from secret pals. A bountiful table was now ready and all enjoyed the delicious food and the social time that followed.

May I as one of the lunch committee who was ill and unable to attend thank those who filled in for me.

The Women's Institute send seasons greetings and a happy and prosperous 1983 to all.

Turkey Almondzini -- 3/4 cup mayonnaise; 1/3 cup all purpose flour; 2 tablespoons minced onion; 1 tspn. garlic salt; 2 1/4 cups milk; 1 cup shredded natural swiss cheese; 1/3 cup dry white wine; 200 grams spaghetti; cooked and drained.

Two cups chopped cooked turkey; 1 10 oz. pkg. frozen chopped broccoli, thawed and drained; 1 1/4 cups sliced almonds; 1 4 oz can sliced mushrooms; 1/4 cup chopped pimento.

In medium saucepan combine mayonnaise, flour and seasonings, gradually add milk, cook over low heat, stirring all the time, until thickened, add cheese and wine, stir until cheese melts, mix all together, toss lightly.

Pour mixture into an 11 1/2 by 7 1/2 baking dish. Top with almonds. Bake at 350 degrees 40 to 50 minutes, or until thoroughly heated. Serve with grated parmesan cheese if desired. Six to eight servings.

Last week under the leadership of Mr Carter the Archie Stouffer Public School band played Christmas carols at Cardiff and Victoria St

School in Haliburton. They are certainly an excellent band, thanks to Mr Carter.

What a gift -- a new year coming in which to plan our work, our lives. Time to pause for some quiet reflection; time out from the earnings of our daily bread to wonder whether bread alone is adequate; time out to pray for peace in this old world.

My wish for you for next year is that you have plenty of friends and plenty of fun; plenty of everything good under the sun; to furnish life with plenty of thrills, and plenty of cash...but very few bills.

As this may be the last time I will be doing this column, I hope you all have enjoyed it. They are twisting my one finger to keep typing, but I am going to take a holiday for a short time at least.

To all have a wonderful holiday season, and thank you for reading my trash.

Adios and take care now, God Bless and keep you safe in 1983.

Editor's note: I'm sure no one thinks Mrs Moore's work is trash.

Norland Natter

Hi -- how are you? I am fine and eagerly anticipating a trip to Merritt, British Columbia to visit my uncle. I'm leaving on December 26 and will be gone for ten days.

Accompanying me will be my two grandmothers, Burvel Kipp and Frances Gunn, and my two cousins, Karen Graham and Paula Janke. Because of my vacation there will be no Norland Natter on the 6th of January.

Several days ago Mrs. Marge Fountain slipped on the ice and broke her ankle bone in three places.

At last word she was still in the hospital. How about dropping her a card or letter wishing her a speedy recovery?

Wait! Don't throw out those old losing Wintario tickets. Give them to Shirley Harrison - she's collecting them and every two weeks she draws one. The owner of the winning ticket wins a toque. The winner of the first toque was Mrs. Rae Patullo. After that draw the remaining non-winning tickets are sent down to the CKLY

Lindsay radio station where some will be drawn for free tickets. What a great way to turn your losers into winners!

Recently Mrs. Joan Brohm of Norland gave a small party for her parents, Horace and Gladys Haws. The couple was treated to a dinner at the Burnell Manor in Fenelon Falls in honor of their 50th wedding anniversary.

Last Tuesday, December 14 the local senior citizens club enjoyed a concert and banquet at the Coboconk Lion's hall.

Along with their concert they enjoyed two plays written by Ivy Boyce and Marge Morris. How about joining the senior citizens club? For more information contact Dorothy Brown.

How many of you saw the Baptist Sunday school concert last Sunday, December 13? It was very well attended and several of the smaller children provided some laughs for those in the audience.

On Saturday, December 11 approximately 26 members of the Graham clan got

Santa Claus came to town last Saturday afternoon. He was present for the children's Christmas party at which about 40 children were present.

Eddie Gill drove the tractor which pulled loads of happy children seated on bales of hay. After all had had their hayrides, they returned to the community centre where they viewed films. Anne Frank and her helpers supplied them with hot dogs and drinks.

Santa then arrived and took his place on the platform. The children lined up and each patiently waited his turn to sit on Santa's lap and have a little chat. Santa's helpers gave each balloons and a bag of candies and other goodies.

This party was sponsored by the Glamorgan recreation committee. A tip of the hat to these workers who were responsible for this treat to the children.

A combined special service of the Tory Hill Pastoral Charge was held in the United Church last Sunday morning. This was to honour and to say "goodbye" to Rev. Henry Gaetz of the

Gooderham News

Northern Pastoral Region, who is retiring.

The NPR is a section of north-central Ontario. There are 66 United Churches in the area with two ministers serving, one of which is Reverend Gaetz.

His field included our area so the charge came to know him well and to respect him, as he assisted the minister, Maurice Bradley.

Special music included the Blue Grass Missionaries, led by Gerard Mumford; duets by Robert Madill and his sister, Susan Haywood; and a solo by Myrtle Kitson of the Highland Grove Church, "His Hand in Mine". This music was a treat and much enjoyed.

Mrs Gaetz was presented with a corsage, while her husband received a plaque as a small token of appreciation for his ministry of four years.

A pot luck luncheon of hot casseroles, sandwiches and desserts was served in the church basement. Rev and Mrs Gaetz were invited to cut the cake, made and decorated for the occasion, by Vanietta Pickens.

Thanks and good wishes for future health and happiness were extended by the elders of each of the four points on the charge.

A Christmas Eve carol service will be held in the United Church December 24 at 7:30 pm. A light lunch will be served at the conclusion. Everyone is welcome to come and prepare for Christmas Day in this way.

The Chatterbox Girls' Club gathered in the United Church basement last Monday evening for their mother/daughter banquet. About 50 sat down to a delicious turkey dinner. Even Santa was present for the occasion.

Sharon Sauve, leader of

the club, introduced and thanked the guests, carol singing preceded a programme of musical numbers by the Chatterbox Girls. Pat Thornett, now residing in Minden, but formerly very active in young people's work, gave a talk on the meaning of Christmas.

Samples of crafts done by the club, including tree ornaments, were on display. The girls are selling Christmas cake, the proceeds from which will be used to help members go to camp next summer.

This meeting was the wind up of activities for the year. In January the weekly meetings will resume.

Guests of Grace Billings last week included her sister, Mrs Lorne Bailey and Mr and Mrs John Barley and family of Fenelon Falls.

Winners of turkeys at the draw at the Gooderham Lucky Dollar store last week were Walter MacDuff and Barney Travis.

The annual school Christmas concert drew a large crowd to the community centre last Tuesday evening.

Mr Sauve acted as the genial chairman.

Grades one and two ably executed several dances as well as a play, "Little Bear's Christmas Dream", with Wayne Barr as the little black bear. Grades three and four presented a play, "King Cole's Christmas", with Cory Hunter as King Cole. The costuming throughout was beautiful.

Both rooms were generous with their musical numbers and choral speaking, accompanied by rhythm band instruments.

The children, some so wee, were keen in their enjoyment of the parts they played. The various numbers were interspersed by carol

singing. Lunch was served at the conclusion.

The teachers, Mrs Bailey and Mrs Miller, assisted by the music supervisor, Mr Gliddon, worked hard to produce such excellent entertainment. We take off our hats to them as well as to the children.

We are glad to hear that Guy McCausland is able to be home following an appendicectomy operation in hospital at Kitchener where he is attending school. A speedy recuperation, Guy! We hope you enjoy your holidays.

It was good to know that Irene McMahon was able to return to her home after a short stay in Haliburton hospital. We hope that good health will return to her soon.

I expect to go to Barrie for Christmas with my son and his family. I also plan to spend January with my sisters in Milton. So I will not be writing any news for my column until February.

Mrs Edna Hunter passed away last Friday in the hospital at Toronto. Her husband, Will, predeceased her several years ago. Funeral services were held in Toronto on Monday, December 20 with interment in Gooderham cemetery.

Sympathy is extended to those in Gooderham who mourn the loss of a dear aunt.

Mr Dallyn Pickens Jr. is visiting his parents for several weeks during the Christmas season. Dal has been living in South Africa for a few years and is a Johannesburg based journalist. He will also spend a week in Thunder Bay with his sister, Christina and her family.

Wilberforce News

Pre-holiday joy is receiving Christmas mail. Odd shaped parcels that arrive to be examined but never opened until the 25th. Colourful

cards from seldom-seen friends and relatives, bearing news and good wishes. Especially prized are the hand crafted beauties from

Mrs Gertrude Miller. Then there are those arriving from other countries bearing stamps of lovely design and

from page 10

colour. One that is different came from South Africa where present summer weather changes the scene from ice and snow to that of a gentle, green countryside with the biblical Noah's ark afloat.

The doors open wide to welcome beasts and fowl who are approaching in peaceful pairs.

Rising postal rates had prompted earlier thoughts about boycotting Christmas mail but how can we relinquish this old custom that gladdens our hearts and brings so much happiness at this time of the year.

Who would suspect that a little curly-headed girl would turn out to be a champion cheese salesperson. This honour can be claimed by Kelly Strong who sold 129 and one half pounds of cheese during the recent blitz to raise money for the figure skating club. Kelly took in \$421.42 and was awarded first prize -- a smurf. Congratulations.

The annual Christmas party shared by the senior citizens and children of Wilberforce elementary school was a complete success. The children did the entertaining and presented several delightful skits. Their costumes, imaginative and colourful, were designed by the

teachers, Pat Clarke and Barbara Lewis. Several selections were sung with sweet charm that did credit to their teacher of voice, Bill Gliddon.

The principal, Charles Hughes, acted as master of ceremonies and could well be proud of his students. Several piano recitals showed a good beginning in musical education. The students were all pupils of Jean Thomas.

The last act was a tableau of the manger scene with Mary and Joseph and the baby Jesus. A group of children gathered to sing out and introduce the coming of the shepherds and the wise men. An outstanding performance was that of Michael Hughes of Harcourt whose clear young voice could be heard throughout the room as he read with feeling the long difficult Christmas story.

The children and teachers received a hearty thanks from Jim Ross and as a reward were presented with a package of goodies from Santa Claus.

On Thursday afternoon when the school children, kindergarten to grade four, arrived at the library they were treated to Christmas films. Mary Packard of the Haliburton library was on

hand to show the films and they produced many a laugh. An annual favourite is the Night Before Christmas.

After the show the children were presented with plaques in the shape of maple leaves with an insert containing a 1982 silver dollar. These plaques could be hung on the Christmas tree or saved for souvenirs. Keith Cameron, a member of the Library Committee, had stamped out the leaves while Donna Herbert and Bessie Croft added the finishing touches.

We are sorry to have lost two Wilberforce residents. Art Saunders passed away after a lengthy illness. Art was born in Essonville and lived most of his life in this area. For years he operated a service station where Binkin's Rock Shop is now located. For some time he has resided in Peterborough.

Fred Broad will long be remembered for his ready wit and good humor. He was

a popular member of the Monmouth senior citizens. He was a member of the Legion, branch 624, Wilberforce where he served on the executive and did many hours of work for the Legion.

There are two dances being held this New Year's Eve. Minor hockey is holding one at the community centre and there will be a dance at the Legion Hall.

The senior choir of St. George's church in Haliburton, braved stormy weather to come to Wilberforce on Sunday, December 19. Under the direction of Bill Gliddon they presented Christmas music that delighted the hearts of a full congregation at St. Margaret's.

It is a long time since such glorious music filled our little church. Bill Gliddon was the organist. He and the choir deserve the highest praise for their excellent performance the memory of which will long be remembered.

"WHERE THE ACTION IS"

ONTARIO HEART FOUNDATION

A Healthy Heart Is A Family Affair

This Haliburton Novice skater found his way blocked by five opposition players as he pokes at a loose puck.

The game was played Saturday morning at the Dysart Community Centre.

S, M and L council holds its meeting Dec 7

from page 2
Arthur Haynes reported to council at the hour of 10:40 a.m. giving each member of council a breakdown on building permits issued for the year 1982.

• Moved by Dalton MacDonald, seconded by Joyce McKey that council directs Art Haynes, building inspector to issue a building permit to Hollow Valley Lodge and Tavern for the construction of a Laundromat being subordinate to zone provisions C3-3 under Restricted Area Zoning By-law number 839, subject to the Ministry of Environment approval. Carried unanimously.

• Moved by Olga Cunningham, seconded by Joyce McKey that the following general accounts be paid in the amount of \$1,640.73.
1. Statement of Election Expenses - personnel, \$399.75;
2. Forester Press - election notices, \$133.44;
3. Wildwood Printing - ballots, \$109.14;
4. Municipal World Limited - election supplies, \$214.45;
5. Anne Ohlmann -

Janitor service, \$12.50;
6. Arnstein Industrial Equip. - John Deere, \$130.54;
7. Bruce Keown - garbage pick-up October/82, \$88.00;
8. P.C.O. Services - dump contracts, \$60.50;
9. Robinson's General Store - office supplies, \$7.05;
10. Muskoka Office Supply - office supplies, \$85.71;
11. Pitney - Bowes - postal meter rental, \$58.58;
12. Ontario Hydro, street light cost, \$118.19;
13. Forester Press - advertising cost, \$34.40;
14. Dorset Fire Dept. - council chambers rental, month of Oct./Nov./1982, \$100.00;
15. Bell Canada - Oxt. Fire Dept. phones, \$71.98;
16. Anne Ohlmann - Janitor service, \$16.50. Carried unanimously.

The financial statement up to September 30, 1982 had been prepared prior to council giving members the opportunity to discuss same at this meeting.

A letter was received from Peter B Tobias, QC informing council on the status of KBL Bridge Association in

respect to the proposal of constructing a Bailey bridge over the Bear Lake Narrows.

Coordinator Leopoldina Dobrzensky of the Haliburton County Information Centre forwarded to council information that the centre had published a directory of community services and human resources.

• Moved by Dalton MacDonald, seconded by Joyce McKey that council hereby authorizes clerk-treasurer to

hire Linda Clark as office assistant. Employment to commence as soon as possible. Probation period three months. Hourly rate \$5 per hour.

Help for lung ills

by LEOPOLDINA DOBRZENSKY

Did You Know: The Victoria-Haliburton Lung Association makes literature on all respiratory diseases available to the general public.

Included are pamphlets on air pollution, smoking, asthma, emphysema, pneumonia, and so on.

The Haliburton County Information and Referral Centre has these leaflets in stock, free for the asking. Come in and pick up a copy! The office is located in the Drag River Municipal Building in Haliburton.

Don Bruce, son of John and Aileen Bruce of Fort Irwin Marina, graduated from the University of Toronto with a Bachelor of Commerce degree recently. He is now working with Ernst and Whinney, CA, in Toronto.

26. PERSONAL

MERRY CHRISTMAS HONEY. Long long time... I understand... All my love, **Ferguson** 26-P-22

XMAS GREETINGS to the members of the Glamorgan Senior Citizen Club, and friends and guests in the Highlands, while I'm on my Christmas holiday at my brother's near Ottawa. All the best wishes for the new year. **Walter Leveck** 26-P-22

ARE YOU CONCERNED about alcoholism in relative or friend. Call Phyllis, 447-2289. 26-NC-TF

27. THANK YOU

The Highlands Little Theatre wishes to thank the following for their invaluable help with their recent show *The Savage Dilemma*: Ted Riel, McKay Brydon, Al Mahaffy, Brian Dunham, Dave Bishop, Ruth Still, Murray McCall, Doug Johnston, Custodial staff at H.H.S.S. and Linda and Mike Easton for their very generous hospitality and for allowing us to invade their lovely home for our 'wrap' party. 27-B-22

I wish to express a special thanks to my friends, relatives, and the Home Support Services. I have greatly appreciated the prayers, gifts, cards, and the many visits received while I was in hospital in Peterborough and Toronto and since I have returned home. May God be with you all. **Mrs. Elva Morrison** 27-P-22

I would like to thank all my friends and neighbours for all their kindness during Fred's illness. Special thanks to Jim and Mildred Ross, Marion and Terry Barclay, Anne and Lorne Marshall, Margaret and Harry Finlay, Dr. Heyes, Dr. Hartwick, the staff at Haliburton Red Cross Hospital, the Cancer Society and Branch 648 of the Royal Canadian Legion. **Kay Broad** 27-NC-22

27. THANK YOU

To all my friends and relatives I would like to thank you for all your kindness and lovely cards while I was in Civic Hospital, and wish you all a Merry Xmas and the best in the New Year. **Della Griffin** 27-P-22

28. BIRTHS

ROBERTSON, Wells and Debbie are delighted to announce the birth of their daughter, **LINDSEY**, on November 30, 1982, weighing 8 lbs, 11 oz, at the Peterborough Civic Hospital. Proud grandparents are Ray and Eileen Turck of Port Hope and Catherine Robertson of Pickering. Many thanks to Dr. Boss, Dr. Harriman, and Dr. Heyes. 28-P-22

MACNAB, Doug and Kar-In (nee Cleer) are happy to announce the arrival of their daughter on December 15, 1982. Seven pounds, five ounces. Proud grandparents are Don and Mon McNab and Bert and Theresa Cleer. Thanks to the staff at Haliburton Red Cross Hospital and especially to Doctor Robert Heyes. 28-B-22

IRVINE: If you've been to the Haliburton Hospital this week-end, you've probably been grabbed by a certain 3 year old, named **SEAN**, who appears as proud of his new baby sister, **CHARLYN CRYSTAL** as his parents, Bill and Brooke Irvine. She was born Friday, December 17, 1982 and weighed 8 lbs., 9 oz. Special thanks to all the hospital staff and Dr. Pierce. 28-B-22

DUNFORD - Jennifer is pleased to announce the arrival of her sister, **SANDRA LYNN**, born December 14, 1982 at Peterborough Civic Hospital. Happy parents are Barry and Nancy, proud grandparents Mr. and Mrs. Hubert Dunford of Tory Hill and Mr. and Mrs. Oliver Hunziger of MacTier. 28-B-22

HELLO! My name is **BENJAMIN BARRY.** I would like to announce that Christmas came early at my house. Mom and Dad gave me a baby girl for Christmas this year. The new addition arrived on December 17, 1982. She weighed 7 lbs., 7 oz. and was 20 inches long. Mom and my baby sister are doing really well. Dad is really overjoyed and happy about our new arrival. Oh yah, the most important part is the name we have given to our new addition. Her name is **SHEENA MARIE.** My grandparents are very proud also, they are Karl and Eileen Barry and Jim and Gloria Carnochan. Proud great-grandparents are Fred Carnochan and Clayton and Vera Miller. Special thanks go out to Dr. Pierce and the nurses at the Haliburton Hospital. Merry Christmas to everyone! 28-P-22

31. DEATH NOTICES

MARY HUMENIUK In her 76th year. Beloved wife of the late Daniel Humeniuk; dear mother of Olga (Mrs. McConnell) of West Elizabeth, Pennsylvania, and Daniel of RR 1, Haliburton; loving grandmother of four grandchildren and five great grandchildren; and dear sister of Elsie Kalyuko. 31-CA-22

Rested at the Gordon A Monk Funeral Home, Minden, for funeral service in the Chapel on Tuesday, December 21, at 11:00 a.m. Spring interment at Maple Lake United Church Cemetery. 31-CA-22

AT REST

Suddenly in Snowdon Township on Thursday, December 16, 1982

ANNIE IRENE MINAKER In her 80th year. Beloved wife of the late Harvey Minaker; dear mother of Audrey (Mrs. Bob Vick) of Gelert, Grace (Mrs. Bud Dart) of Oshawa, Blanche (Mrs. Clark Miller) of Midland and Patricia (Mrs. Larry Trelice) of West Hill; loving grandmother of eleven grandchildren and eight great grandchildren; and predeceased by several brothers and sisters. Rested at the Gordon A. Monk Funeral Home, Minden, for the complete funeral service and committal in the Chapel on Saturday, December 18, at 1:30 p.m. Spring interment at Ingoldsby Cemetery. 31-CA-22

32. IN MEMORIAM

In memory of **ROBERT MCELWAIN** who passed away December 20, 1974. In a quiet country graveyard, Where the gentle breezes blow, Lies one we loved so dearly. Lost eight years ago. We do not need a special day To bring him to our minds, For the days we do not think of him, Are very hard to find. Sadly missed by wife, family and grandchildren. 32-P-15

Get Results! with Want Ads

32. IN MEMORIAM

CARPENTER, EDWARD - In loving memory of our dear father and grandfather who passed away January 1, 1982.

What we'd give if we could say Hello, Dad, in the same old way. To hear your voice, see your smile, To sit with you and chat awhile. So you who have a father, Cherish him with care, For you'll never know the heartache, Till you see his vacant chair. Sadly missed and fondly remembered by Doug, Barb, Wanda, Pete, Ivan, Jean, Fern, Roger, Albert, Judy and families. 32-P-22

MAUGHAN, ANNIE. In loving memory of a dear and loving mother, grandmother and great grandmother who passed away December 28, 1981. What you suffered you told but few, You didn't deserve what you went through. Tired and weary, you made no fuss, But tried so hard to stay with us. To some you may be forgotten, To others a part of the past, But to us who loved you and lost you, Your memory will always last. Sadly missed and always remembered daughter Biddy, son-in-law Ross, grandchildren Deborah, Candy and Randy Vlahauic, Peter, and Paul. Great grandchildren Patricia, Willie and Elizabeth Anne. 32-P-22

SAWYER - In loving memory of our dear son Ron who passed away as a result of an accident December 26, 1981. We are thinking of you today Ron, But that is nothing new, We thought about you yesterday And the day before that too. We will think of you tomorrow And each day as we come and go. We will think of you forever, We love and miss you so. Your end, it came so suddenly, No time to say goodbye; You were gone before we knew it, And only God knows why. Dear God, take this message To our son in Heaven above, Tell him how much we miss him And give him all our love. Each time we see your picture You seem to smile and say, "Don't cry, Mom and Dad, I'm only sleeping, We'll meet in Heaven some day." Sadly missed and always remembered by Mom and Dad. 32-P-22

CRUIKSHANKS - In loving memory of a dear father and grandfather, **RAYMOND [Ray]**, who passed away January 2, 1975, and a dear mother and grandmother, **FRANCIS [Maymie]** who passed away February 11, 1962. There is never a life without sadness, There is never a heart free from pain. If one seeks in this world for true solace, He seeks it forever in vain. So when to our hearts came the sorrow Of losing our dear parents we loved, It was the touch of God's sickle at harvest, Since He reaps in the fields he has sown. Ever loved and missed, The Family. 32-P-22
